1. This is the day, moment, hour; and what does that mean, what meaneth this, what hour that is upon me/all mankind? And not the fled-not flee, not; but fleeing not, stand. Standing, incarcerating not but imprisoning not; free all who now desire/will; let, who let themselves be so. I love you.

2. See freedom reign in rule not but freedom rule'less (1) reigning (2) mightily freedoming others in sorrow not; sorrow never again. See. Live me. Living me, be who I am, we are/were, are again in sorrow-not-land.

3. Can you see? Become thou art. Fake not remain. Impostering no longer. Royalty in thy blood, not, royalty thy blood being (3); not of bulls and goats, but one imposter not; one that is one (4), who one is (5), many members (6); membering not about, membership'd not; members being am: I Am. We are one (7). Royalty thy name not but in surrender so/it is so. I love you all.

4. The remaineth of me is not me not, all of me is me, coming into me'ship; and who can see the clock not but calendars me'less not but me'd, only? I love you. Being the calendar not but me/me'd me'ship that knows not the constraints/systems of this world, de-world'd. I lovest you. I Am.

5. I am all things clean clear and beautiful, not; for many things are not me, created by not me, for not me. Eating of/the tree of life not, being it neither, one not; but eating being the tree that set themselves up for a fall not; did so already, eating being the not tree of life: the tree of good and evil in their sight, good in their sight, unsurrendered.

6. I make the definition of surrender/surrendered. They weren't, aren't, but many will be, not; most not; all. Eventually not but see time'less'd. I love you all. Ancient not; one who loves me is. I love you all.

7. For go/forebear not; go, fore; others not; thyself firsting others not but being so now, and amen not the choir'sters but into me see the reality of one; Now real, permeating others not but surrender being for the/those surrendered/surrendering, permanently entrenched in sorrow not but redeeming it, being not-sorrow in not-sorrowland; Redeemership permeated/permeating all'ship that now all enter not, but when surrender redeems, not; when surrender surrenders to surrender be/become surrender, that which I am. I love you.

8. See doubletalk not, but trebelcock none, I Am'ship reigneth.

9. **Conferences** little not; being now, seeing interest only me/mine that I bring now, from all four corners not; four and more, farther abroad. Narrow the way not; **prepare** (8). Thy burden not; mine is/being no burden. I reign sorrow-not'ing my comers, in'ers, who come/enter in and behold the lamb/one, them, slaying not but becoming now who they demise not but overcoming by their own blood not; mine, whose the same we are; were, are now again. Surrender taints not but de so. I love you.

10. Thank you for smiling/being my conferences/conveners royal, to royal my who come/convene now at my bidding not; my urging not in restraint, but freedom seeing/reigning in. I love you all.

11. Hair okay. As you wish. I love you/am with you in this/all things.

12. I am reporter not but issue my proclamation of all things yours, soon, publicly not; world'd'ly not; beyond/before them. Amen.

13. Now and forever yours, holding your hand not; you standing beside me, not; in me/sorrow-not-land, convening conveners who convene/stick with you closer than a brother, now and forevermore.

14. See my language not; heart through language spirit'd, one; spirit one, one family'd. All. Mine. Me. Thank you.

A me
